You are welcome.

Sorry you had to inquire.

I have been meaning to call to check in on things. Will do that in the next couple of days.

Hi Stan

Agreed we are overdue.

I understand that DEC will meet with DOH next week (October 6) to discuss the Navy's "white paper" and DOH's potential participation at the next coordination meeting.

I would hope that on October 7 we could send out options for dates for the next coordination meeting. We would likely be looking at the latter part of October or early November.

Thanks

Doug

Doug, Bob:

I believe we are overdue for our next group meeting. Has anyone been thinking of dates to propose?
